Why do I, as a practice member of Dr. Elbert's, love chiropractic?
because of the result my body receives
from chiropractic

How have I benefited from Dr. Elbert's care?
I have benefited from Dr. Elbert's care by making
me feel much better when I get treatments

If someone was asking me about Dr. Elbert's care, here's what I'd say:
Dr. Elbert is a honest man to tell you what he
thinks should be done and goes ahead with the adjustments
that will help you

How does it feel to have my body's "Health Reset Button®" gently triggered (in other words, how does it feel to get a Chiropractic Adjustment)?
Dr. Elbert's adjustments have allowed me to do
what I like to do.
